Camp Camrec

2010 Summer Youth Programs

MEET GOD ON THE MOUNTAIN!

Camp Camrec is a place to meet and to be met in the harmony of God, people and nature. Our theme this summer is "Meet God on the Mountain". Bible stories of mystery, power, and truth will take campers on an exciting journey to the mountaintop, and help them experience God's presence in their lives.

Pre-Junior Camp

This weekend offers campers and their parents an opportunity to become familiar with the Camrec summer camp experience. Campers are assigned to cabin groups, and parents are encouraged to join other volunteers to staff the camp. Parent involvement helps to keep our registration fees low and it's a lot of fun.

Children may register alone or with a parent, grandparent, aunt, uncle, etc.
